The quality parts for Land Rovers

Car Shades

Upgrade your Land Rover's interior by installing made to measure Car Shades, a cost-effective alternative to window tints, reducing light in the cabin by 72%. Car Shades are made to measure sun blinds for your vehicle. They fit all rear windows of your vehicle offering protection from bright light and UV rays. The shades can be easily installed in a few minutes using unique fixing clips supplied. Additionally, the tailored made Car Shades allow for full functionality of your rear windows whilst fitted but ensure there is no gaps allowing sun through.

- > Easy to fit in around 10 minutes
- > Keep kids & pets cool
- > UV Protection & anti-glare
- > Added security
- > Tailor made to the rear side windows of your model including the boot
- > Full window coverage
- > Unique clips to attach to your window frames
- > Windows still operate with Car Shades fitted
- > Reduces cabin light by 72%
- > Cost effective alternative to window tints
- > Manufactured in the UK
- > Carry bag included when not fitted

Say Goodbye to Sagging Cloth Headliner:

Our kits are manufactured to replace sagging or deteriorating cloth headliners, giving your Defender's interior a much-needed facelift.

Rigid Composite Material for Durability:

Constructed from a robust composite material with a textured finish, these kits offer enhanced durability and longevity, outperforming traditional cloth headliners.

Easy to Clean Surface: The wipe-clean feature of our headlining kits makes maintaining a clean and hygienic interior effortless.

Simple Installation with Existing Clips: Designed for convenience, these kits can be easily fitted using the existing clips in your vehicle, making the installation process quick and hassle-free.

Moulded for a Perfect Fit: Each headlining kit is moulded to ensure a precise fit, adhering to the contours of your Defender for a professional and smart appearance.

Lightweight Construction: Despite their rigidity and durability, our headlining kits are surprisingly lightweight, ensuring they don't add unnecessary weight to your vehicle.

Ring Inspection Lamp

DA5175
Ring Rechargeable Under Bonnet Inspection Lamp
 Designed for professionals, this rechargeable under bonnet lamp is perfect for illuminating any engine bay or car interior. Perfect for mechanics and detailers alike, the universal design and large 360° rotating hooks allow the light to be attached to almost any vehicle.

Extending to 1.8m wide, the light can be placed either under the bonnet or between doors for superior illumination whilst working on the vehicle's interior.

60% lighter than the previous model, the lamp is easier to handle and install. Despite its ultra-lightweight design, it features both IK07 impact and IP65 weather ratings, perfect for the demands of a busy workshop.

Recharged via USB-C, the lamp is capable of outputting an impressive 1,200 lumens in high power mode and 600 lumens in energy saving mode, which helps extend run time to 4.5 hours.

- > 1,200 lumens peak output
- > 600 lumens energy saving mode
- > Up to 4.5 hours run time
- > Extendable up to 1.8m wide
- > Large padded hooks for universal fitment
- > Rechargeable via USB-C
- > Integrated 3.7V 4400mAh li-ion battery
- > Over 60% lighter than the previous model
- > Illuminated battery status indicator
- > IP65 weather resistant
- > IK07 impact resistant
