All products leaving the Trim Shop are produced to the highest standards.

The highly skilled team in the Britpart Trim Shop make a wide range of seats and seat covers for Land Rover vehicles by hand.

The material arrives in vast reams and has to be cut with great precision before being stitched together and then assembled into seat bases, seat backs, seat benches etc.

In keeping with the Britpart philosophy, all products leaving the Trim Shop are produced to the highest standards and meet with the strictest safety regulations.

Defender
Techno Style

DA4910GREY

Once installed, these easy to fit, hard wearing carpet kits will transform your Defender's interior. The grey 5mm woven pile carpet is manufactured with a hardback which ensures it holds its shape for years to come.

All holes are pre-cut for a precision fit. No glue is required, only strips of double-sided tape are supplied where applicable. Fitment is quick and easy with no mess. The carpet also has the added advantage of improving soundproofing within the cabin.

When applicable, floor mats have a reinforced edged for a smart, hard wearing finish.

AHD Rear Camera Kit

DA4995

Defender - 2007 - 2016

Upgrade your Defender with a reverse camera kit for a safer and more convenient driving experience.

Suitable for any unit that has an AHD input, this innovative camera is uniquely designed to be installed directly over the rear washer, offering a high central location for optimal visibility. The result? A clear, natural view of what's behind you, ensuring easier parking and trailer hookup along with enhanced vehicle safety. Ideal to use with DA3868 - Stinger 10-Inch Integrated Multimedia System.

Features:

High Central Position: Mounted over the rear washer, this unique placement provides a superior, centralised viewing angle for better perspective and accuracy.

Wide-Angle High-Resolution Camera: Offers a crisp, expansive view to help you spot obstacles with ease.

Seamless Factory-Finished Design: Blends perfectly with your Defender's exterior for a clean, professional appearance.

Specification:

AHD 720P

- > Minimum Illumination: 0.1 Lux
- > Dimension: 25mm cut out
- > TV System: NISTC
- > Waterproof Rating: IP68
- > Horizontal Angle: 150 Degrees
- > Parking Lines: Yes (Removable)
- > Adjustable Image: Yes (Mirror/Normal)
- > Operating Voltage 12-24V DC
